

重心型児童発達支援  
重心型放課後等デイサービス

ヒノワ

Opening in November 2025 in Kakamigahara City, Gifu Prefecture!

This is a child development support and after-school day service facility

for children with severe physical and intellectual disabilities and those who require medical care.

## News

19.08.2025

Our website has been launched.

**We provide a safe and secure environment, along with individualized care and compassionate, supportive therapy tailored to each child.**

Led by experienced nurses, our team includes childcare workers, physical therapists, occupational therapists, child instructors, and medical care child coordinators, among other qualified staff.

Our facility is dedicated to creating an environment where children can attend with joy and parents can entrust their children with peace of mind.

Our bright and energetic staff provide daily support with care, kindness, and compassion.
